

DIVATOR MKIII REGULATOR

- ❶ Dual first stage regulators integrated in one unit
- ❷ Safe transition into reserve air mode with "Pull for air"-solution
- ❸ Primary regulator can be isolated by "Push" maneuver
- ❹ DP1 high pressure surface supply inlet port
- ❺ Outlets for connection of BC, dry suit and Octopus

DIVATOR MKIII REGULATOR

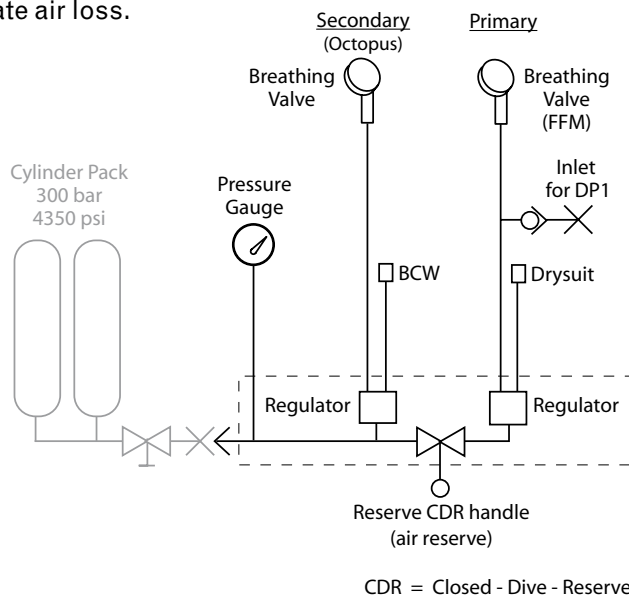

REFERS TO PRODUCT(-S) WITH PART NO.(-S)
MKIII Regulator 30 026

The DIVATOR MKIII regulator has an extremely high flow capacity. The design ensures that the intermediate pressure leading to the breathing valve is stable and is not affected by pressure variations in the air supply or the depth of the dive.

The DIVATOR MKIII includes outlets that provide convenient air supply connections for buoyancy compensating jacket, dry suit and DIVATOR Octopus breathing valve.

Dual first stage regulators integrated in one unit gives the diver great advantages if problem arises during the dive by giving the diver several options to handle the situation.

The MKIII regulator is constructed to give the diver at least two breathing sources, two inflation sources and two ways to isolate air loss.

STANDARDS

Designed and tested in accordance with EN 250

APPROVALS

CE 89/686/EEC

PERFORMANCE

Meet performance requirements of EN 250.
Designed for use in cold waters.

Designed so that the primary regulator and/or the breathing valve can be isolated in the event of freezing or other malfunction.

Reserve valve handle gives the diver a warning when the air pressure becomes low.

- Fully functional in (air) temperature range of: -30 to +70°C (-22 to +158°F)
- Medium press. range: 5-11 bar (72-159 psi)
- Safety valve (built in feature) opening pressure: 12-20 bar (174-290 psi)

CONNECTIONS

- Supplied with Octopus hose and breathing valve.
- Two extra outlets with 3/8" thread.
- DP1 high pressure surface supply hose connection.

AVAILABLE VARIANTS

- Regulator with BC & dry suit hose (0.75 m / 2.5 ft) 30 026-01
- Regulator, plugged (without hoses) 30 026-02
- Regulator with BC & dry suit hose (1 m / 3.3 ft) 30 026-03
